your every catch*

### PROMOTE FISHERIES INDUSTRY

Focus on networking, encouraging the use of new technologies, attracting investments, and overseeing quality assurance to ensure the industry's growth, profitability, and sustainability.

### FOSTERING GROWTH IN FISHERIES INDUSTRY

We Partner and Collaborate with industries such as value-adding, fish processing, manufacturing of fishing vessels and gears, fish feed production, and aquaculture seed cultivation.

### BOOSTING TRADE IN AQUATIC PRODUCTS.

Our recreational opportunities are open to anyone, whether you're in the fishing industry or not. We welcome all enterprises that have connections related to fishing activities.
